DETAILED ACTION

Response to Arguments

1. Applicant's arguments, see Page 20 Line 14-Page 23 Line 8, filed November 30, 2005, with respect to claims 13-18 and 21-25 have been fully considered and are persuasive. The rejection of claims 13-18 and 21-25 has been withdrawn.

Allowable Subject Matter

2. Claims 1-25 are allowed.

3. The following is an examiner's statement of reasons for allowance: The present invention pertains to an adjustable wench. It is the examiner's opinion that the art of record considered as a whole, alone or in combination, neither anticipates nor renders obvious, a trigger member pivotally attached to a movable jaw member, slidably engaged to the handle, and a serrated toothed rack whose pitch line forms an acute angle in relation to the movable jaw surface plane, together in combination with the rest of the limitations or the independent claims.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Robert Scruggs whose telephone number is 571-272-8682. The examiner can normally be reached on Monday-Friday, 8:30-5:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Joseph Hail can be reached on 571-272-4485. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
